

TERMS APPLICABLE TO HEALTHQUEST SOFTWARE

These HealthQuest Software Terms apply to the HealthQuest Software outlined in the Client Order, Delivery Order and/or Amendment. In the event of a conflict between the terms outlined below and these HealthQuest Software Terms, the HealthQuest Software Terms shall control over the conflicting provisions of the Agreement.

Altera will provide source code to Client for all HealthQuest Software (except any workstation-based components of such Software) licensed under the corresponding Client Order, Delivery Order and/or Amendment. Altera will not license source code for any Third-Party Software.
