

End User License Agreement for MediMedia InfoScan Formulary Database™
(the "MediMedia Terms and Conditions")

MEDIMEDIA INFORMATION TECHNOLOGIES, division MEDIMEDIA, USA, INC., ("MEDIMEDIA") warrants formulary status data is supplied by officials of the managed care health plans listed in the InfoScan Formulary Database™ and information contained in the InfoScan Formulary Database™ is validated on a periodic basis to update additions, deletions, and changes in the status of formulary drugs. Formulary status data within the InfoScan Formulary Database™ is constantly being updated because pharmaceutical and therapeutics committees meet and change these formularies on an on-going basis resulting in a lag between the committees' decision and publication of such decision. MEDIMEDIA and its health plan information providers do not warrant or guarantee one hundred percent (100%) accuracy. MEDIMEDIA warrants that the InfoScan Formulary Database™ is and shall be promptly updated in a timely manner upon receipt of new information. Client understands the MEDIMEDIA right of literary property and copyright in the InfoScan Formulary Database™ are reserved and retained by MEDIMEDIA at all times.
