

NATIONAL TECHNICAL INFORMATION SERVICE

(National Correct Coding Policy “Data File”)

SECTION 1: GENERAL

1.1 Responsibility for the content of this product lies with The Centers for Medicare and Medicaid Services (CMS) and no endorsement by the American Medical Association (AMA) and the National Technical Information Service (NTIS) is intended or implied. The NTIS and AMA disclaim responsibility for any consequences or liability attributable to or related to any uses, non-use or interpretation of information contained or not contained in this product(s).

1.2 The Current Procedural Terminology (CPT) codes are copyrighted by the AMA. Customer/Client shall ensure that anyone who has access to the product(s) complies with the provisions of the Agreement.

1.3 This agreement is nontransferable, nonexclusive and for the sole purpose of internal use at the Customer/Client’s licensed site(s), only in English and only in the U.S.

1.4 The Data File product(s) are provided “as is” without warranty of merchantability and fitness for particular Customer/Client requirements. NTIS and AMA disclaim any and all liability including liability for the sequence, accuracy, completeness of data contained in CPT or special, incidental, indirect and or any consequential damages including lost profits.

1.5 Availability of updated versions of CPT in the Data File is dependent upon the continuing contractual relations between NTIS and the AMA.

SECTION 2: CONDITIONS AND LIMITATIONS OF USE

CUSTOMER/CLIENT SHALL NOT:

2.1 Use the CPT, or information contained therein, in any public computer-based information system or public electronic bulletin board including the Internet. Notwithstanding the foregoing, Customer/Client’s employees may access the Data File via Customer/Client’s own private networks or via Customer/Client’s secured Internet site.

2.2 Create derivative works based on CPT and sell, lease or license it or otherwise make the information, or any portion thereof, available to any unauthorized party.

2.3 Publish, translate or transfer possession of the product(s) or any portion thereof.

2.4 Publish, translate or transfer possession of the Data File or any portion thereof.

2.5 Duplicate, reproduce, photocopy or repackage the Data File for purposes other than for back up or archival purposes.

2.6 Use the Data File in connection with computers other than those for which Customer/Client has licensed the product(s).

Customer/Client shall:
