

FIRST DATABANK, INC.

SECTION 1:

The parties hereby acknowledge that, notwithstanding anything in this Exhibit, Customer may utilize the customization functionality within the Drug Information Framework Software, if such software was licensed, to provide and report clinical alerts developed by Customer. Customer assumes all liability for such customized alerts. Customer agrees to indemnify, defend and hold Altera Digital Health Inc. and First DataBank, Inc. (“**First DataBank**”) harmless from such Customer developed alerts to the extent that such claims would not have existed but for Customer’s customization of the alerts.

SECTION 2:

First DataBank hereby warrants that the non-exclusive rights granted to Customer are free of any and all assignments, grants, licenses, obligations, or agreements, either written, oral or implied which might detract from Customer’s full enjoyment of such right. First DataBank warrants that, at the time of delivery to Customer, the Databases will perform as generally described in the First DataBank Database documentation. During the term of the agreement, First DataBank agrees to correct at its own expense any errors or omissions in the Databases reasonably attributable to it and brought to its attention by Customer in writing. First DataBank warrants that it has used reasonable care to accurately compile the databases. **FIRST DATABANK MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, OTHER THAN THOSE IN THIS EXHIBIT, AND FURTHER, MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO THE ACCURACY OF THE DATA FROM WHICH THE DATABASES ARE COMPILED, NOR AS TO FITNESS FOR LICENCEE’S PARTICULAR PURPOSE.**

SECTION 3:

First DataBank has utilized reasonable care in collecting and reporting the information contained in the Databases and has obtained such information from sources believed to be reliable. First DataBank, however, does not warrant the accuracy of codes, prices or other data contained in the licensed products. Information reflecting prices is not a quotation or offer to sell or purchase. The clinical information contained in the licensed products is intended as a supplement to, and not a substitute for, the knowledge, expertise, skill, and judgment of physicians, pharmacists, or other healthcare professionals in patient care. The absence of a warning for a given drug or drug combination should not be construed to indicate that the drug or drug combination is safe, appropriate or effective in any given patient.
